Title

**THE USE AND OPERATION OF ADULT OFFENDER DISCIPLINARY
SEGREGATION UNITS**

Text

PURPOSE:

This policy establishes the standards for the use and operation of adult offender disciplinary segregation units.

POLICY STATEMENT:

The Department of Correction shall operate adult offender disciplinary segregation units in a manner which ensures:

- A. A clean, healthy, safe, and secure environment for offenders and staff;
- B. Availability of offender programs, services and activities consistent with the safety and/or security of the facility; and,
- C. Establishment of a system that identifies the review and release process from the unit.

An offender shall only be admitted to an adult disciplinary segregation unit after the finding of guilt in a disciplinary hearing and imposition of a disciplinary segregation sanction as established for Policy 02-04-101, "The Disciplinary Code for Adult Offenders."

The Department shall establish a continual monitoring system that ensures compliance with this policy.

This policy is applicable to all adult facilities that operate a disciplinary segregation unit.
